PRESS RELEASE

**Dr. Roland Robinson Has Been Nominated and Accepted as a Two Years
AIOC'S 10 Best in Texas For Client Satisfaction**

The American Institute of Chiropractors has recognized the exceptional performance of Texas's Chiropractor Dr. Roland Robinson as Two Years 10 Best Chiropractors for Client Satisfaction.

The American Institute of Chiropractors is a third-party rating organization that publishes an annual list of the Top 10 Chiropractors in each state. Practitioners who are selected to the "10 Best" list must pass AIOC's rigorous selection process, which is based on client and/or peer nominations, thorough research and AIOC's independent evaluation. AIOC's annual list was created to be used as a resource for clients during the practitioner selection process.

One of the most significant aspects of the selection process involves practitioners' relationships and reputation among his or her clients. As clients should be a practitioner's top priority, AIOC places the utmost emphasis on selecting practitioners who have achieved significant success in the field of Chiropractic without sacrificing the service and support they provide. Selection criteria therefore focus on practitioners who demonstrate the highest standards of Client Satisfaction.

We congratulate Dr. Roland Robinson on this achievement and we are honored to have him as a Two Years AIOC Member.
